

KP's BRG Management and Membership Portal Joining a Business Resource Group

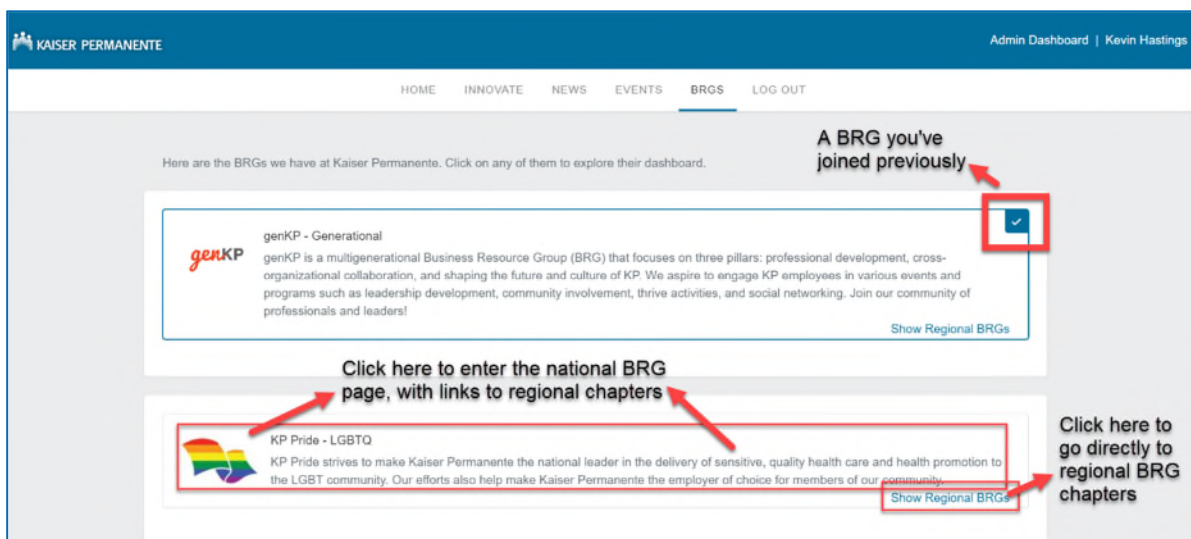

The KP Business Resource Group Portal (<http://kp.diverst.com>) presents the Kaiser Permanente workforce with up-to-date information about KP's BRGs and the programs they deliver. Any KP employee or Physician can join a BRG, and you can use the Portal to learn about BRGs and their programs. Note that membership in a BRG is not required to view news or participate in BRG programs and events – but your membership can open the door to leadership development opportunities with senior leaders and an engaging experience supporting KP's commitment to Equity, Inclusion and Diversity.

Upon entering the BRG Portal, click the "BRGS" link in the white banner.

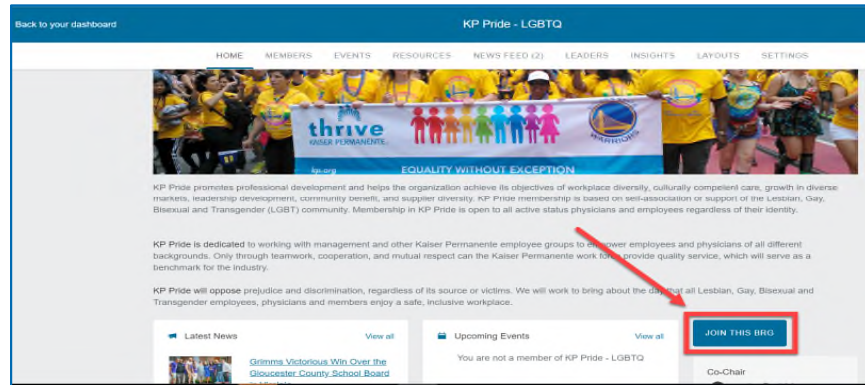

A list displays of the BRGs KP sponsors nationally and in most regions.

When you click the “JOIN THIS BRG” button on a National BRG page, you’ll be able to join one or more Regional chapters at the same time.

To join a regional BRG, click “Yes” in the popup window asking you to join Regional BRGs. If you click “No” you will remain as a member of only the National BRG.

Click each of the Regional BRG chapters you wish to join and then click the “Done.”
