relias.com

WHAT ARE THE **BENEFITS** OF USING THE EXPERIENCE PLATFORM?

CONTINUING EDUCATION

Self-enroll in thousands of relevant, accredited courses that not only meet your CE requirements but also enhance your skillset as a clinician. Created by practitioners for practitioners, courses are regularly updated to give the most updated, evidence-based information to shape your practice.

CERTIFICATION REVIEW

Eager to take your career to the next level with a specialized certification? Our certification review program includes test prep for the **top 45+ nursing certification exam**. This content will fully prepare you to approach the exam with confidence.

CONVENIENT LEARNING

All this content can be accessed from any device, making trainings more manageable for your busy life. In addition, courses come in a variety of formats, such as text, audio, and video.

INTUITIVE, USER-FRIENDLY DESIGN

Trainings within the Platform are easy to find and enroll. Easily search or filter courses that pertain to your specific area of care, license, or state. The Platform also allows you to track certification and licensure requirements and deadlines.
