Anne Arundel Community College

California Baptist University

California State University - Fullerton

Chabot Community College

Chaffey College

Chamberlain College of Nursing, Atlanta

Contra Costa College

Coastline Community College

Cuyahoga Community College (Tri-C)

Cuyamaca College

Georgia Highlands College

Grossmont Community College

Keller Graduate School

Northern Virginia Community College

Regis University

Riverside Community College

San Bernardino Valley College

San Diego Community College District (City, Mesa & Miramar)

Western Governors University

KP School of Allied Health Sciences

SCHOOL of ALLIED HEALTH SCIENCES

GROSSMONT  
COLLEGE

The Ben Hudnall Memorial Trust has formed a student pathway which ensures that specified college prerequisite courses that are successfully completed at Colorado Technical University will transfer seamlessly to Anne Arundel Community College. This is based on Colorado Technical University's regional accreditation, and is provided that these courses are comparable to required courses in the student's chosen curriculum. This pathway can translate into specific student benefits, including enhanced tuition savings and expedited degree completion.

*An applicant seeking to transfer credit from Colorado Technical University must request a credit evaluation prior to enrolling in a new program, and must provide the official transcript. This document is based on a review of Colorado Technical University courses by Anne Arundel Community College as of 9/9/2013, and is subject to review and modification at any time without prior notice.*

This agreement is formed to provide a student pathway which ensures that specified college prerequisite courses that are successfully completed at Colorado Technical University will transfer seamlessly to California Baptist University (CBU). This is based on Colorado Technical University's regional accreditation, and is provided that these courses are comparable to required courses in the student's chosen curriculum. CBU will transfer credits for courses with a grade of C- or better. A maximum of 70.0 semester units is allowable for transfer from community colleges with a maximum of 100 semester units allowable for transfer toward fulfilling degree requirements.

North Central Association of Colleges and Schools

Catalog Location: [http://www.coloradotech.edu/~media/Catalogs/ctu\\_6/course\\_catalog.pdf](http://www.coloradotech.edu/~media/Catalogs/ctu_6/course_catalog.pdf)

All courses evaluated using the 2013 catalog.

Transfer of courses is considered on an individual basis. A grade of "C" or higher is required for all transfer credits. Courses transferring in for biology or chemistry credit must have been completed within the past 10 years in order to be considered for transfer credit. Applicants are required to provide official transcript(s). An official transfer credit evaluation will be completed upon receipt of these transcript(s). Please visit <http://www.chamberlain.edu/student-consumer-information> for additional information regarding transfer credit guidelines.

Course equivalency table is current as of 03/02/2013. Course equivalencies are subject to change. Please see an admissions representative for the steps to complete an official transfer credit evaluation.

\*Indicates that this course is listed in the catalog but is no longer offered at Colorado Technical University.

**Disclaimer**

Undergraduate An applicant seeking to transfer credit from another institution must request a credit evaluation prior to beginning the first class at DeVry University and must provide an official transcript from the institution where the credit was earned. A maximum of 80 DeVry credit hours may be awarded for lower-division or community college courses. To graduate, students must earn at least 25 percent of their programs' required credit hours or a minimum of 30 semester-credit hours, whichever is greater, through coursework completed at DeVry University. Higher program-specific requirements may be imposed for internal or external transfer students.

This data is based on a review of Colorado Technical University courses by DeVry University as of 1/15/2013, and is subject to review and modification at any time and without prior notice.

**Guaranteed Admission Agreement**  
**Between Colorado Technical University and Northern Virginia Community College**

**I. PURPOSE**

This articulation agreement is designed to coordinate transfer policies, enhance advising, and promote the acceptance of equivalent courses/credits between Colorado Technical University and Northern Virginia Community College (NOVA).

**II. ELEMENTS OF THE AGREEMENT**

**A. Admissions Practices**

1. Colorado Technical University (CTU) accepts applications from students who wish to transfer from NOVA to pursue identified baccalaureate degree program at CTU listed and described at [www.coloradotech.edu/Degree-Programs](http://www.coloradotech.edu/Degree-Programs). Transferring NOVA applicants must meet the same admissions criteria as other students applying for transfer to CTU. The application fee will be waived.
2. Students transferring from NOVA to specific CTU programs must meet the same prerequisites, grade point average (GPA) and other admission criteria, as other native or transfer students applying to CTU programs.
3. NOVA students who graduate with an Associate of Arts (AA) or Associate of Science (AS) degree and have a NOVA curriculum GPA of at least 2.0 are guaranteed admission to CTU.
4. For the purposes of admission and credit recognition the transfer GPA is determined by a calculation that includes all NOVA courses and all attempts.
5. Transfer students who have completed an associate degree will not be required to take a placement test. Students who have not yet completed an associate degree and who have not yet completed the associate level English and math classes will be required to take the placement test.

**B. Acceptance and Application of Credits**

1. General Education - students completing an AA or AS at NOVA will be considered to have met all lower division general education requirements at CTU.
2. Where course equivalencies exist for required courses and/or prerequisites, these courses will apply to CTU graduation requirements in the student's stated major field of study. If the courses are taught at the

# REGIS UNIVERSITY TRANSFER GUIDE

10 percent tuition discount for Kaiser Permanente employees\*

The chart below outlines how coursework completed at Colorado Technical University will be applied to Regis University's undergraduate nursing program degree requirements. Any college level coursework not included on this chart will be reviewed for transferability on a course-for-course basis.

## Next Steps

1. Contact an admissions counselor at Regis University. We are eager to speak with you about transfer credits and tell you more about our nursing programs. Reach us via phone or email:

Regis University  
Office of Admissions  
303.458.4344  
healthcare@regis.edu

2. If you haven't already done so, apply now! As an employee of Kaiser Permanente, you are eligible for a 10 percent tuition discount on all nursing courses taken through Regis University\*
