

Fuel Your Future

Pathways To Success

Soon, you'll be eligible for BHMT — empowering you to learn new skills, advance your education, and shape your career journey.

Career Planning

Take charge of your future with one-on-one support from a Career Development Coach. Explore your career interests, discover new opportunities at Kaiser Permanente, and create a plan to reach your short-term and long-term goals.

Education

BHMT makes it easier to continue your education. From general ed and lab science courses that meet prerequisites, certificate and degree programs, we help you go further with personalized guidance.

Skills

Stay future-ready. BHMT offers access to no-cost on-demand skills courses, continuing education units, and specialized bootcamps to sharpen workplace and academic success skills.

Why Choose BHMT?

Access union-backed benefits designed to help you thrive in today's healthcare profession.

Receive support through [Wage Replacement](#), [Tuition Assistance](#), and [Laptop Lending](#).

Grow personally and professionally for a more rewarding work life.

Get the tools and resources to take your career anywhere—earn a degree, gain skills, or collect CEUs at no cost.

Our Mission

BHMT's mission is to provide equitable opportunities to engage in personal career management empowering individual learning, growth, and development.
